Salary Range: \$65,000 - \$80,000 and health/dental benefits

The [Canadian Children's Literacy Foundation/ Fondation pour l'alphabétisation des enfants canadiens](#) (“CCLF”) is a national charity founded in 2017 with the mission of ensuring all children in Canada are equipped with the literacy skills they need to reach their full potential. We raise awareness of the importance of early literacy, promote and develop children’s literacy initiatives, champion literacy partners, and empower people to build literacy skills in their homes and communities.

CCLF is seeking a **Fundraising Manager** to play a central role in growing and evolving our philanthropy program, with a focus on building meaningful relationships with existing and prospective donors.

As a relatively new organization, we are looking for a fundraising generalist who can contribute to growing fundraising. Over the past couple of years, we have been putting in place the foundations of our fundraising program and are looking for a leader who can shape it going forward. Reporting to and working very closely with the CEO, the Fundraising Manager is responsible for the full fundraising cycle for major gifts, grants, individual giving, and corporate philanthropy. The goal will be to diversify funding and create consistent fundraising revenue.

Critical to the success of this position is balancing a deep understanding of our programs (including maintaining strong relationships with our team) while being able to implement fundraising programs in a small organization without much administrative support. This key team member will be a highly organized, resourceful, and collaborative self-starter who has a passion for building literacy in Canada and is comfortable working in an evolving not-for-profit start-up. Attention to detail is of the utmost importance as is the ability to manage tight deadlines and work quickly when opportunities arise.

CCLF strives to foster a workplace that reflects the diversity of the communities it serves and welcomes applications from all qualified candidates. CCLF is also committed to developing an inclusive, barrier-free selection process and work environment. Please advise if you require any accommodations to ensure a fair and equitable selection process.

Key Roles and Responsibilities:

- Create an individual giving program that can grow support for CCLF consistently, including engaging key stakeholders, writing compelling and effective appeals, and managing meaningful stewardship.
- Research and develop inspiring funding proposals, grant applications and cases for support to secure giving, predominantly in the six-figure range, demonstrating a high degree of sensitivity and ability to adapt writing style for different audiences and voices.
- Identify prospective funding opportunities that align with CCLF's programs and initiatives.
- Collaborate with the Communications team and Programs team on content creation in various aspects of CCLF's communications, ensuring the donor perspective is represented and ensuring all messaging is on-brand.
- Support senior leaders in researching and planning for donor meetings.
- Articulate the features and impacts of new programs and initiatives, and integrate content into new and existing fundraising vehicles.
- Manage donor records and moves management in CCLF's databases, including Salesforce.
- Lead the development of innovative, meaningful stewardship communications that will surprise and delight donors of all levels and types.

Professional Experience and Qualifications:

- A deep belief in CCLF's mission of advancing children's literacy in Canada.
- Excellent interpersonal skills with a strong sense of diplomacy and demonstrated ability to build strong, collaborative relationships with colleagues, volunteers, donors and other stakeholders.
- Demonstrated ability to develop and implement strategies and build experiences that strengthen long-term relationships with donors and/or volunteers.
- Demonstrated, well-developed communication skills (written and verbal) including experience in creating and presenting compelling proposals to donors.
- Superior project management skills and ability to coordinate multiple priorities concurrently.
- Understanding of current and emerging best practices in stewardship and donor engagement.
- Ability to work independently, rise to new challenges, find creative solutions, and prioritize competing demands in a fast-paced environment with an unwavering commitment to detail.
- Proficient oral and written communication skills in English with French language skills considered a strong asset.
- Computer proficiency in using the MS Office suite and experience with donor databases such as Salesforce. Proficiency with Canva and other cloud-based software is also an asset.
- Demonstrated experience in the not-for-profit sector (donor relations, alumni relations, event management) or equivalent client-focused environment.
- Available to occasionally work flexible hours (including some evenings).
- Available to travel to the main office in Toronto on an as-needed basis, with approximate frequency to be determined at the time of hiring by mutual agreement.
