

**ONE TO ONE**  
A Children's Literacy Program

# COMPREHENSION WHEEL

Here is a fun way to check understanding when reading.

Materials: Book of choice and dice

## How to play:

- 1 Read a page, chapter, or an entire book.  
Which book are you reading?
- 

- 2 After reading, roll the dice and answer the question matching your number.

Make your own comprehension wheel on the next page.

A Children's Literacy Program

# MAKE YOUR OWN COMPREHENSION WHEEL

 In each section write down questions you'd like to answer after reading a book.
