## **Canadian Children's Literacy Foundation (CCLF)**

### **Accessibility for Ontarians with Disabilities**

#### **Customer Service Policy**

CCLF is committed to meeting its current and ongoing obligations under the *Ontario Human Rights Code* respecting non-discrimination.

CCLF understands that obligations under the *Accessibility for Ontarians with Disabilities Act, 2005* (AODA) and its accessibility standards do not substitute or limit its obligations under the Ontario Human Rights Code or obligations to people with disabilities under any other law.

CCLF is committed to complying with both the *Ontario Human Rights Code* and the AODA.

AODA is committed to excellence in serving all customers including people with disabilities.

Our accessible customer service policies are consistent with the principles of independence, dignity, integration and equality of opportunity for people with disabilities.

#### **Assistive devices**

People with disabilities may use their personal assistive devices when accessing our goods, services or facilities.

In cases where the assistive device presents a significant and unavoidable health or safety concern or may not be permitted for other reasons, other measures will be used to ensure the person with a disability can access our goods, services or facilities.

We will ensure that our staff are trained and familiar with various assistive devices we have on site or that we provide that may be used by customers with disabilities while accessing our goods, services or facilities.

#### **Communication**

We will communicate with people with disabilities in ways that take into account their disability.

We will work with the person with a disability to determine what method of communication works for them.

### Service animals

We welcome people with disabilities and their service animals. Service animals are allowed on the parts of our premises that are open to the public.

When we cannot easily identify that an animal is a service animal, our staff may ask a person to provide documentation (template, letter or form) from a regulated health professional that confirms the person needs the service animal for reasons relating to their disability.

A service animal can be easily identified through visual indicators, such as when it wears a harness or a vest, or when it helps the person perform certain tasks.

A regulated health professional is defined as a member of one of the following colleges:

College of Audiologists and Speech-Language Pathologists of Ontario

College of Chiropractors of Ontario

College of Nurses of Ontario

College of Occupational Therapists of Ontario

College of Optometrists of Ontario

College of Physicians and Surgeons of Ontario

College of Physiotherapists of Ontario

College of Psychologists of Ontario

College of Registered Psychotherapists and Registered Mental Health Therapists of Ontario

### Support persons

A person with a disability who is accompanied by a support person will be allowed to have that person accompany them on our premises.

### Notice of temporary disruption

In the event of a planned or unexpected disruption to services or facilities for customers with disabilities CCLF will notify customers promptly. This clearly posted notice will include information about the reason for the disruption, its anticipated length of time, and a description of alternative facilities or services, if available.

## Training

CCLF will provide accessible customer service training to:

- all employees, and volunteers
- anyone involved in developing our policies
- anyone who provides goods, services or facilities to customers on our behalf.

Training will include:

- purpose of the *Accessibility for Ontarians with Disabilities Act, 2005* and the requirements of the customer service standard
- CCLF's policies related to the customer service standard
- how to interact and communicate with people with various types of disabilities
- how to interact with people with disabilities who use an assistive device or require the assistance of a service animal or a support person
- how to use the equipment or devices available on-site or otherwise that may help with providing goods, services or facilities to people with disabilities.
- what to do if a person with a disability is having difficulty in accessing CCLF's goods, services or facilities

Staff will also be trained when changes are made to our accessible customer service policies.

## Feedback process

CCLF welcomes feedback on how we provide accessible customer service. Customer feedback will help us identify barriers and respond to concerns.

Customers who wish to provide feedback on the way CCLF provides goods, services or facilities to people with disabilities can provide feedback by contacting the CEO at [asiller@childreosliteracy.ca](mailto:asiller@childreosliteracy.ca).

All feedback, including complaints, will be reviewed by the CEO of CCLF. Customers can expect to hear back within 15 business days or as soon as reasonably possible. Complaints/feedback will be addressed according to CCLF's regular complaint management procedures.

CCLF will make sure our feedback process is accessible to people with disabilities by providing or arranging for accessible formats and communication supports, on request.

## Notice of availability of documents

This policy will be available on CCLF's website.

CCLF shall endeavour to provide this document in an accessible format or with communication support, on request. We will consult with the person making the request

to determine the suitability of the format or communication support. We will provide the accessible format in a timely manner and, at no additional cost.

Modifications to this or other policies

Any policies of CCLF that do not respect and promote the principles of dignity, independence, integration and equal opportunity for people with disabilities will be modified or removed in a reasonable time frame.

Signed: *Ariel R. Siller*

Annual Review Date: April 1, 2022
